HOSPITALITY

FEELING SICK?

To reduce the risk of spreading germs, we will:

- Wave hello. We will postpone giving handshakes and hugs and continue social distancing.*
- Reduction in Paper. We will continue to provide a digital bulletin and sermon notes, but will have limited printed sheets at the back of the Worship Center for those who would like to take advantage of this.*
- Hospitality. Coffee counter will return to being in use without reservations.*
- Practice Healthy Habits. Be sure to wash your hands regularly, sanitize and cover your mouth in the case of cough or sneeze.*
- Feeling sick? We continue to ask that if you show symptoms of COVID-19, that you stay home and worship online with us.*

We will adhere to state and local authorities requirements as well as medical recommendations until we are asked to violate scripture or the church is singled out and given different requirements than other organizations thereby prohibiting our religious freedoms.
