

JAMES

*Our series in James continues today as Pastor Dave Short brings us the word from **James 1:19-27**. We will take time today to examine our own faith and respond to the Word of God.*

- Do you think you are a good listener or do you find yourself focused on what you want to say next? What are some ways that you can practice being a better listener?
- What causes you to get angry? Does your anger come from a righteous place?
- Spiritual maturity does not come from how much you **KNOW**, but how much truth you are **LIVING**. Think on & share a recent time that you have heard truth that has caused you to act or change your ways.
- If you examine your own life, and relating it to the story that Pastor Dave shared about a child cleaning her room, which tendency is the easiest and do you relate most to? Memorizing, studying or applying?
- Kairos moments, when God purposes a time to draw you to Him, happen for all believers. Think on and share a time when God revealed a truth that he was calling you to action on.
- What actions do you feel God calling you to take? Quieting your tongue, Caring for those in need, Renewing your mind by pressing into Jesus?

*Take time to pray together for a genuine faith that moves us to act.
Pray through **Psalm 139:23-24** together and ask God to search your heart.*
