Evangelism Chart

Instructions:

1. Make of list of ten people you personally know, who are not saved.
2. Of those ten, check the Relationship box if you have a relationship deeper than mere acquaintances. (ex. they recognize you on their caller ID and are not shocked or suspicious that you are calling)
3. Check the Experience box if you have ever been through a life experience with the person (ex. visited after birth of child, consoled after death of loved one, attended wedding)
4. Check the Conversation box if you have ever talked with the person about anything spiritual (ex. "do you think my dog's in heaven?")

- Anyone on your chart with all three boxes checked is someone that God has providentially placed in your life and you **need** to tell them the Good News of Jesus!
- If you don't have anybody in your chart with three boxes checked then it is time to make some friends outside your inner circle. You can't be an ambassador for Christ from within the safety of the embassy (church building). Jesus told us to, "Go, therefore."
