

A Prayer of Dependence

Psalm 25

If you depend on the Lord,
he will never, ever let you down.

You can depend on
the Lord when you're
afraid.

You can depend on
the Lord when you're
confused.

“Guidance is not something God gives you, it’s something he does for you.”

– Tim Keller

“The opposite of justification by works is not doing nothing, but doing everything while trusting in none of it.”

– Martyn Lloyd-Jones

You can depend on
the Lord when you're
guilty.

You can depend on
the Lord when you're
lonely.

“When life overwhelms us, when the bottom is falling out, this is where Scripture takes us: to God. We do not achieve internal calm by securing external calm. We find internal calm by looking to God.”

– Dane Ortlund
