THE BURNING BUSH

Exodus 3.1-15

SHARING

Introductions: do introductions/names (especially if you have new folks).

OPENER: What's your favorite item to purchase from the concession stand at the movies?

STUDY/DISCUSSION

This week continues a series called Moses and the Journey of Faith which will take us all the way to the end of May.

1. Have you ever felt like God was calling you to do something you weren't capable of doing? Explain.

READ Exodus 3.1-15

2. Putting yourself in Moses' place, how would you have responded if you saw what he saw?
3. What does Moses' response to God in v.4 indicate about his heart? How does this show how he had changed during his time as a shepherd?
4. God revealed both his holiness and his faithfulness to Moses in this story. What implications does God's holiness have for us as his people?
5. What about his faithfulness? Why should God's faithfulness give us comfort and confidence?
6. What are some obstacles that might keep someone from putting themselves fully at God's disposal? Is there a particular obstacle that is a challenge for you?
7. How does this story encourage or challenge us in how we relate to God?
8. How might being fully at God's disposal change the way we might approach our day to day lives and activities. That is, how might this inform our mission?

PRAYER

Take some time and pray together: You might pray in two different groups as men and women separately or in smaller groups or all together conversationally. Do follow up with a "prayer" post in your group on the City recapping prayer requests that are shared, if appropriate.
