Now it springs up; do you not perceive it?

Carol Kent

Carol Kent's life was turned upside-down when her only child, a graduate of the U.S. Naval Academy, was arrested for a serious crime. Life hands most of us unexpected challenges

that mean life as we once thought it would be, turns out differently from the "normal life" we anticipated. The retreat weekend will be filled with encouraging reminders that in every difficult experience we encounter, if we're looking for Divine surprises, we'll find them, and when we embrace those challenges in the tight spots of life, we will discover an adventurous journey that produces unexpected joy, unanticipated favor, a strengthened faith, and a meaningful adventure. We'll laugh out loud and wipe a few tears as we discover how to lean into "the grace place." Carol's messages will lift your heart to a place of renewed hope and brand-new courage. Bring your friends for a never-to-be-forgotten time of personal and spiritual encouragement.

Worship

Local musicians Jazmin Garven and Alyssa Cline return to lead us in preparing our hearts with beautiful worship.
