North Park Church

[A NOTE FROM PASTOR JOSH](#)

Thank you for engaging with North Park's ministries this week. Whether you are joining us for worship or watching our messages online, we are grateful for the opportunity to serve you. [We'd love for you to fill out a connection card online so we can pray for you and connect.](#)

As a reminder during our 11 AM worship service we offer Kids Church for grades K-5 and we hope to be offering ministry options for younger children soon. Children are always welcome in our services.

2020 has taught us to not take the opportunity to gather and worship lightly. If you are unable to gather in person right now we hope you are able to join us soon. We are grateful for the technology that has allowed us to make the teaching of God's Word available online. For those of us gathering to worship together in person, let's make the most of this opportunity to worship God, encourage one another, and study God's Word. We need community, we need each other, we need Christ's Church. Let's make the most of the Lord's Day.

In Christ,
Josh Malone, Pastor
North Park Church

A PEOPLE WITH GOOD NEWS

North Park Church is a people with good news! We believe the good news of Jesus Christ is the most important news in the world. The Bible calls this the GOSPEL. It's the announcement of what has been done in Jesus Christ, God's Son. It is the news of his birth, life, death for sinners, and glorious resurrection from the dead. It has redefined our lives and shapes everything about our church.

MISSION

North Park Church exists to glorify God by helping people trust and follow Christ through worship, community, and mission.
