

Wedding Officiant Services

We are honored to officiate traditional Christian weddings between one man and one woman for one life. We hold the highest degree of integrity for our church members and seek to honor and uphold the sacred institution of marriage and its privileges. Therefore, we require that couples not cohabitate and remain abstinent until the couples have publicly communicated their covenant commitment to God and one another. Our pastors work diligently to ensure each wedding is a beautiful celebration and a proclamation of Jesus Christ's good news.

Pre-Marital Counseling

North Valley Pastors typically hold five counseling sessions with a couple in person or by phone. The topics include faith, finances, sexual intimacy, conflict resolution, and communication. Each session is \$100, which lasts approximately one hour. Additional counseling topics are available for an additional fee.
