TALK IT OVER

ICE BREAKER - Ever been ran over by something or someone? Please explain.

1. What stood out to you the most and why?
2. Read Revelation 6:1-8. Which horse scares you the most, and why?
3. If God's Judgment is going to pour out on the earth at the time of the tribulation against all unbelievers, what do you think you should be doing now for your friends and family that don't know Christ? Don't delay; go and share your faith! Make contact with them and begin witnessing to them about your faith in Jesus.
4. In reading about God's purposes for the tribulation. How does this change or confirm your ideas about God and this future event? Read the passage 2 Peter 3:9. What does it tell us?
5. Read Matthew 24:11. God's Word tells us to be on the lookout against false prophets, fakes, and phonies. Take a minute to consider how to do that as believers today.
6. Some may say so what should this teach me? How should I respond in knowing just how bad it's going to get? Here are three points to put into action.
 - Praise. Thank God that when the world falls apart. He will rescue you. All who believe in him will be saved from the future Great Tribulation through the rapture.
 - Proclaim. Share your faith with unbelievers before it's too late. Proclaim the good news of Jesus. Everyone needs to know about the goodness of God and his offer of salvation.
 - Peace. Jesus promised peace. God gave you prophecy to prepare you, not scare you. God wants you to be aware, not anxious. Be at peace.

Which one will you commit to the most this week?
