

MISSIONARIES OF THE MONTH:

Quinn & Emily Sloan

Quinn is the Reformed University Fellowship (RUF) campus minister at Kansas University. He met his wife, Emily, at Wheaton college where they both graduated in 2020 and their daughter, Peyton Alice, was born in 2023. After graduating from Westminster Seminary (California) in May 2023, the Sloan family moved to Lawrence to start the RUF ministry at KU.

Quinn enjoys sports (playing and watching), music, checking out new restaurants, and sharing about what God has done in his life. Together, Quinn and Emily love hosting game nights, watching movies and going on walks with Peyton. The Sloan family is overjoyed to be in Lawrence and excited to see the Lord work through RUF at KU.

Pray for Quinn and his family as they serve through the RUF ministry at KU. Some specific requests:

1. Pray for Quinn as he speaks with students on campus about the Gospel. Many students he interacts with do not have a church background.
2. Pray that students would come to faith through the ministry of RUF.
3. Pray that the RUF ministry would grow at KU, with the development of student leaders.
4. Pray for the Sloans' fundraising, that God would provide the needed financial support to carry on ministry outreach.
