The Story of the Cave Man with the Stone Heart

2 Samuel 25.2-38

Wisdom from the Cave Man Nabal

1. Think mostly about yourself

Or, smart guys look for ways to serve Jesus and others

2. Don't bother listening to your wife

Or, smart guys love women who love Jesus and listen to them

3. Don't deal with your past

Or, smart guys recognize their brokenness and ask others for help

4. Don't let anyone tell you what to do

Or, smart guys ask the Holy Spirit to soften their hearts everyday
