Growth Group Questions

1. Take a few minutes to quickly review the life of Abraham. As you flip through Genesis chapters 12-25, remind one another of some of the ups and downs of his life.
2. How has this teaching series been helpful for you? What has God been teaching you through our study of Abraham's life?
3. Share one way you have seen God working in your life recently, demonstrating that while you may be broken/sinful/hurting, you have been rescued and are being transformed.
4. Growth Groups will now be on summer break. Discuss and plan how your group can stay connected via meals together, fun outings, or ministering to/serving others together.
