

Clouds and Clarity

John 21:15-19

Growth Group Questions

Week of September 23, 2018

1. Take some time to re-read John 21 together as a group. Share with one another any takeaway you had from Sunday's message, or any fresh observations from the text (specifically verses 15-19) after reading it as a group.
2. Share with each other some reasons why our intentions sometimes don't match our execution - what gets in the way of us carrying out our plans? What are some common circumstances that can "cloud our convictions"?
3. On Sunday, we discussed passages from 1 Peter, where followers of Jesus are encouraged to "let our convictions clarify our circumstances." Read the passages together (1 Peter 3.13-17; 4.12-16; 5.6-11) and discuss how followers of Jesus are to navigate tough circumstances.
4. Some of us are in "peak" seasons, while some of us are walking through "valleys." Spend time sharing, encouraging and praying for one another in our walks with Jesus, that we might grow in "grace, to trust Him more."
