

Making Disciples
John 1:35-37; 43-49
Messages Notes

1. We were created to be relational beings.
2. God can use, and desires to use every single one of us.
3. God's desire to use you involves opening up your life in Christ to those around you in relationship.
4. Discipleship occurs when others follow you as you follow Christ.
5. Let's follow Philip's example through our willingness to share Jesus with our friends.
