Growth Group Questions

1. So, how are you thriving, feeling about our *Marriage, Sex and the Gospel* message series? What's stood out? What's made you uneasy? If a friend who doesn't yet know Jesus asked you what this message series was about, what would you tell them?
2. Why are we disgusted *and* enticed at the very same time with sexuality not blessed by God?
3. God is our great promise. Read and ponder and consider 1 Corinthians 10.1-13, asking such questions as these: What happens to God's people (10.1-5)? Why were these examples from the lives of Old Testament believers written down in our bible (10.6, 11)? What is our temptation when we see others struggle (10.12)? What does God call us away from? (10.7-10)? What is God's great promise to us (10.13) *and how do we live in His power and promise?*
4. All of God's commands are really His promises in disguise: God always provides what He commands (1 Corinthians 10.8, 13)! Read Colossians 3.1-6. How does *being who God has made you to be* empower you to overcome *who you used to be*?
