Growth Group Questions
Week of November 4, 2018

Important: These questions are not asked to spark guilt, but rather, honest introspection. Salvation comes by grace alone, not by your level of faithfulness. God's love for us is not based on our performance but on Christ's performance. However, the joy we experience from this free gift of salvation is very much linked to our faithfulness. In light of God's grace and free gift, spend time contemplating the following questions.

1. On a scale of 1-10, 1 being not at all, 10 being to the extreme, how important are the things of God to you in your everyday life?
2. What things, activities, or people do you allow to get between you and God?
3. What can you do to increase your gratitude towards God for his gift of life in Jesus Christ?
4. What do you think the Great Feast of God in Heaven will be like? Who do you know will be with you at that dinner table? Who do you need to invite to join you?
