Stop giving the sins done against us permission to be terrorists in our lives!

1. Where do I start in this forgiveness stuff?

Matthew 18:21-22

forgive αφημι aphiemi

2. Where do we get power to forgive?

Matthew 18:23-30

- how much you need to be forgiven,  
and how forgiven you are by Jesus
- Someone always has to pay the price Matthew 18:27

A. What forgiveness is not:

- instant
- pretending or denying
- excusing the offense
- reconciling
- dependent upon the offender "getting it"
