

The CHANGE you need.

We all need to change. Whether it's starting to exercise, stopping a destructive habit, or changing an attitude, making changes can seem impossible. But with God change is possible. In this series, we'll talk about what needs to happen in order for us to change and become the people God calls us to be.

1. How's your walk with Jesus?
2. Read Ephesians 5:15-21. In this passage Paul tells us three areas that we need to watch regarding our we walk with the LORD to make sure we don't trip and fall into sin. Let's look at each of these and honestly assess how we're doing in our walk with the LORD.
3. In your daily walk with Jesus, are you making unwise decisions or wise decisions (v.16)? Give examples.
4. In order to understand the difference between worldly wisdom and Godly wisdom read James 3:13-18. What's the difference?
5. According to v.16, what's the reason we're to walk in wisdom?
6. In your daily walk with Jesus, are you being foolish, or do you find out what pleases the LORD and do that (v.17)? Give examples. (How do we *understand what the will of the LORD is?*)
7. In your daily walk with Jesus, are you living under the influence (of alcohol, pot, anger, etc.), or are you being filled with the Spirit (v.18)?
8. According to vv.19-21, what are the results of a being filled with the Spirit? To what extent are these evident in your life?
9. Only Jesus walked perfectly in each of these areas. And thanks to his sacrificial death, resurrection and ascension he offers us grace to walk in a manner worthy of the calling we have received (Ephesians 4:1). What changes do you need make to walk worthy of your calling? Confess this to others, ask God to fill you with his Spirit and start walking.
