

PBCM COVID-19 RESPONSE...

AT **PENINSULA BIBLICAL COUNSELING MINISTRIES (PBCM)**, we are determined to keep our eyes and heart on the Lord. Deuteronomy 31:6 instructs believers on what to be and what we are not to be! God has promised His children that HE is and will FOREVER be our” true” source of protection, strength, and peace during unknown times.

BE Informed and Share Validated Information

This COVID-19 pandemic is a medical crisis that has Spiritual ramifications. It is important for people, Christians included, not to be apathetic or indifferent, and above all, not to be worried, about the significance and seriousness of the times we are living in.

Continuing to be in well informed and not “negatively influenced” by irrational thinking which fuels even more the potential of living in isolation, constant fear, worry, and anxiety is now more crucial than ever. Let us help those around us by obtaining “truthful” and accurate information and reports from verified medical organizations.

Social media (e.g., Facebook, YouTube, Instagram, word of mouth, etc.) are not the real sources of vetted and accurate information. Visit and get acquainted with validated sites like the [Center for Disease Control \(CDC\)](#) and [World Health Organization](#) and even your local Hospitals (MUSC, Roper Hospital, Trident Hospital) and News Venues. Most importantly, sharing facts and truthful information, will dispel or at least lessen the hysteria or misinformation through social media or word of mouth ...

Philippians 4:8... “Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things”.

Proverbs 11:14... “Where there is no guidance, a people falls, but in an abundance of counselors there is safety. Let this time and season of uncertainty and vagueness, become more of a season and time of earnest and sincere prayer, and love for our neighbor”. Let us not to react, but respond within the context of the truth of Scripture. Do not be afraid! Fear is torment...

Furthermore, Christians must be the Church, representative of God, and we must live out the Great Commission (Matthew 28:18-20) and the Great Commandment (Matthew 22:34-40).

Fulfilling Jesus' “Great Commandment” means loving our neighbors as we love ourselves. Moreover, Christians must share the Gospel of Jesus Christ, particularly in these times when people are living in despair and without hope.
