

# Providence Kids

## COVID-19 POLICY CHANGES

### **DROP-OFF & PICK-UP PROCEDURES**

One parent is allowed to bring their child(ren) into the Providence Kids hallway and pick up after the service. All adults need to wear masks while in the Providence Kids hallway, and parents will not be allowed in classrooms until further notice. Adults should not linger in the hallway after dropping off or picking up children.

### **SANITIZING**

Upon entering the classroom each morning, children will be given hand sanitizer. Toys, tables and chairs will be sanitized before and between services.

### **SICK POLICY**

If your child or anyone in your household has displayed any symptoms for COVID-19 (including a fever of 100.4° or higher) or any other illness within the past 72 hours, or if you believe you may have been exposed to the virus within the past 14 days, we ask you not to attend worship services.

Any child showing signs of illness will need to stay home. If a sibling at home is sick, please keep all children in the household at home until everyone in the household has been fever-free for 24 hours. Any children who become sick during the morning will be removed from the class, parents will be notified, and will need to be picked up promptly.

### **MASKS**

Providence Kids teachers will be required to wear a mask at all times. Currently (as of July 2, 2020), children under 10 are not required to wear masks. Parents are required to wear masks while in the Providence Kids hallway.
