DEMOCREW

WHAT IS DEMOCREW?

DemoCrew is a five day, four night inner-city street experience available through The Mustard Seed locations in Calgary and Edmonton. It is a life-changing opportunity for youth age 13-17 to explore issues surrounding homelessness, poverty and social justice through service, workshops and education.

LEARN WHAT OTHERS HAD TO SAY ABOUT DEMOCREW

"Your eyes will be opened,
your mind will be changed
and your spirit will be
touched."

— Democrew Participant

"It's become obvious to me that many
people who live outside of the inner
city do not understand the day-to-day
struggles of the people that live here.
It's always really rewarding at the end
of DemoCrew to hear the questions and
comments of the young men and women
that went through it with us. Their growth
and understanding is obvious and I'm
always hopeful that a certain number of
them will give their time and effort to the
battle that we wage in the Inner City."
