Why Memorize Scripture?

Would you like to see changes in your life in 2024? Do you view the turning of the year as a new start-- as an impetus to evaluate your present condition and make goals for improvements in the new year?

Often, those goals revolve around:

- ✓ exercise
- ✓ healthy eating
- ✓ spending more time with loved ones
- ✓ meeting career goals
- ✓ or being more organized

However, we can easily forget that we are more than just physical beings and what we really need for fulfillment is to set *spiritual* goals for the part of us that will live for eternity with God. Taking HIS words of truth and life and infusing them in our minds and hearts, is a discipline that will transform us.

"Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect." Romans 12:2

The Challenge

Join us as we memorize 24 scriptures during the twelve months of 2024. The first day of each month there will be an assigned scripture for everyone to memorize. On the 15th day of each month, you begin memorizing a new passage of your own choosing. Pray and ask the Holy Spirit to guide your choice.

Find Support

We recommend that you have an accountability partner. Additionally, you may join our special Facebook group called "Transformed by 24 in '24." Find the invite in the ASAC Facebook group.

Your Choice

Limiting your 15th of the month scripture selection to just a verse (or two) might keep you from getting overwhelmed. Choose a favorite well-known verse, something that you need to apply to your life, or one of God's Truths that you want to bring to mind when self-doubt, temptation, or trials occur. Another option is to choose a verse just before or after the assigned verse for the 1st day of the month.

For consistency and being able to "quiz" each other, the assigned group verses will all be in the ESV-English Standard Version of the Bible. However, feel free to memorize your personal verses in another version.

Important Notes:

- Memorize the scripture's location (reference) as you memorize the verse. Say aloud the reference, the verse, and then the reference again.
- For long-term memory of these verses, you'll need to continually review the previous memory verses as you master the current verse.

You CAN Memorize!

TIPS: For info on how to get the most out of memorizing scripture, read this article: <https://www.navigators.org/resource/how-to-memorize-scripture/>

OLD SCHOOL METHODS

Buy two colors of flash cards (one color for the group verses , one for your personal verses) and write out the scripture, committing it to memory as you write. Then post it in an area you often frequent in your home. Create another set and use that for memorizing or being quizzed by a friend or family member.

Create disciplines and rewards. Examples: only allow yourself to check social media after you have spent X amount of time memorizing your current verse or give yourself a simple reward (tangible or intangible) when you meet a goal such as practicing five times/day or memorizing the first half of the verse.

SMARTPHONE APPS

Use the Voice memo app on your phone to record yourself reading the verse(s). Play it back to yourself once or twice a day to review.

“Bible Memory Verses” by Woody Hays is a free app with a multi-sensory approach that allows you to set target verses, create digital flashcards, quiz yourself with missing words in the verse, and record yourself reading the verse aloud!
