Jeffrey Miller - Drive-By Celebration!!!!*

**DRIVE-BY CELEBRATION
NOVEMBER 22ND
AT 11:45 AM**

Jeffrey Miller, Red Clay's Director of Music, has been a blessing to our congregation and friends for 20 years! He came to us during Pastor Ed Brandt's tenure and built upon Red Clay's outstanding musical history through a winning combination of talent, experience and friendship. By developing musical gifts within our church family and adding skilled artists from the community, Jeffrey has consistently uplifted our Sunday worship and special services. Jeffrey has a degree in music from West Chester University, six years' experience teaching school, many years as church organist and music director and 33 seasons as chorus master of Opera Delaware. He knows what music fits voices best and sees the role of music as supplementing worship. Besides the many memorable musical offerings he has led, Jeffrey sees the friendships that he has enjoyed among our congregation as key to his success and happiness at Red Clay.

Please join us in celebrating Jeffrey's 20 years by participating in a Drive-By Celebration on Sunday, November 22 at 11:45. Cars will queue up in the upper lot and proceed down through the cemetery to Mill Creek Road, turning right and right again onto McKennan's Church Road, turn right onto the main driveway and proceed past Founders Hall. Near the entrance to Founders, Jeffrey will be present to receive your waves and cheers. Due to the pandemic we will remain in our cars but will honk vigorously. You are encouraged to send cards and letters to Jeffrey via the church office. The Personnel Committee thanks you for helping make this a memorable event for Jeffrey Miller!
