ART OF MARRIAGE

Marriage, the way God intended it to be, is a true art form. That's why for more than 40 years, FamilyLife has been helping couples understand God's plan for relationships. The Art of Marriage weaves together expert teaching, real-life stories, humorous vignettes, and more to portray both the challenges and the beauty of God's design.

Just married? Married for more years than you can remember? Thinking about being married at some point in the future? Join us for a powerful, video-driven, study on the heart of God's design for marriage.

WEEKEND TO REMEMBER

A getaway with a goal: oneness.

No marriage is static. Each day, each choice — you're either moving closer together, toward oneness ... or coasting farther apart.

At the intersection of a faith-based marriage conference and romantic retreat from everyday life, Weekend to Remember helps couples do just that — choose oneness. Whether you're sending up an SOS for marital rescue or looking to foster an already flourishing connection, Weekend to Remember is your best next step toward being, and staying, one.
