

*"And such were some of you..."*

**Heads Up:** HOPE2020 **in person** in Seattle is **cancelled**. HOPE 2.0 will be a live online event during the same dates (June 12-13, 2020), and we are excited about it! More info is coming soon – check back for updates.

If you have booked flights, a car, or hotel, **now** is the time to cancel travel arrangements (before March 31) to avoid change or cancellation fees for most airline carriers. Changing the conference to an online format is the result of the coronavirus (COVID-19) in the Seattle area and its impact on travel and public gatherings.

For those who have already registered for HOPE2020, you have three options:

1. Designate the fees to preregister for HOPE2020 2.0 online,
2. Donate part, or all, of your registration fees to RHN, or
3. Receive a full refund

Please let us know your decision about your paid registration by emailing us at: [info@restoredhopenetwork.org](mailto:info@restoredhopenetwork.org) by **APRIL 17<sup>th</sup>**.
