**Announcing the Formation of
Restored Hope Network
And it's First Annual Conference**

Franklin, TN - August 23, 2012

Restored Hope Network (RHN) has recently been formed by leaders from throughout North America who seek to minister to homosexuals and other sexually broken individuals according to the historic doctrines of the Christian faith. We seek to be honest about the need for repentance in the life of believer and nonbeliever alike and we seek to communicate the many ways that God brings about real and lasting change in the life of anyone who turns to Him and allows Him to take them through a life-transforming process.

One of RHN's founding leaders is Frank Worthen, who was the key figure in the founding of Exodus International in 1973. Of this new network, Frank writes:

"I am feeling inexpressible joy that the Lord has brought together a group of people who will not allow the message of hope and change to die in a sea of misguided social/cultural relevance. Restored Hope Network will now carry the torch of freedom from the sin and degradation of homosexuality and the transforming power of Jesus Christ."

Restored Hope Network will be holding its inaugural conference this coming September 21 & 22 at in Fair Oaks, CA (Sacramento area). Speakers will include Frank Worthen, Andy Comiskey (Desert Stream Ministries), Dr. Robert Gagnon (Pittsburgh Theological Seminary) and others.

Mission Statement for Restored Hope Network

"Restored Hope is a membership governed network dedicated to restoring hope to those broken by sexual and relational sin, especially those impacted by homosexuality. We proclaim that Jesus Christ has life-changing power for all who submit to Christ as Lord; we also seek to equip His church to impart that transformation."
