

12.09.18 - The Gospel and YOU

This week journal and do a discovery study (www.revolvechurchnj.com/discover) on the following passages:

- John 15:1-11 (On abiding)
- John 15:12-17 (On loving one another)
- John 15:18-16:1 (On Perseverance in Hope)
- Matthew 24:12-14 (On Perseverance in Love)
- Acts 20:17-32 (Paul's aim and charge)
- 2 Timothy 4:6-8 (Paul's Perseverance)

Take some time to journal on the following questions:

1. Younger people: what are your hopes and dreams for the future? Are they shaped by the gospel, leading to faith, hope, and love in action?
2. Older generations: what were your hopes and dreams? What are your regrets? How can you mourn your regrets and then push forward with gospel focus?
3. What do you need in order to begin abiding (dwelling) with Jesus? How can you be equipped?
4. What do you need to repent of in light of what you have learned? Take some time to do so in prayer. Submit it to Jesus' rule and reign.
5. How can you live a life of gospel action, speaking gospel truth to others, thereby making disciples?
6. What's your concrete next step?
