S.O.A.P.S. is:

- **Scripture:** Write out one or more verses that are particularly meaningful to you.
- **Observation:** Rewrite those verses or key points in your own words to better understand.
- **Application:** Think about what it means to obey these commands in your own life.
- **Prayer:** Write out a prayer telling God what you've learned and how you plan to obey.
- **Sharing:** Ask God who He wants you to share with about what you've learned / applied.
