

Evaluation of Disciple Making Habits

Focus on God's Word

- What are you doing to learn about disciple making and multiplication from the Scriptures?
- How are you applying what you learn?
- Where do you need to put aside extra-biblical habits (Christian, organizational, personal, cultural) and return to what the Bible teaches about multiplication?

Multiply Prayer

- What are you doing to multiply prayer personally? Corporately?
- How are you multiplying prayer for movements and multiplication?

Go Out Among the Lost Frequently

- Who are you praying for and interacting with regularly that is lost?
- How are you relating to lost people in your everyday life?
- How are you devoting specific time each week to going out among the lost?
- Give one example of a spiritual conversation you had in the last month.

See Groups Start

- Do you have any potential groups on the horizon?
- How do you invite people to start groups? Is there anything that could be adjusted in what you say or do?
- What are you doing to pass groups off to key insiders when able?

Cast Vision for Multiplication

- Give an example of how you cast vision for multiplication on a napkin or 3x5 card.
- How are you finding believers with whom you can cast vision?

Train Believers

- Tell us about the last time you trained a believer in multiplication principles.
- How are you inviting people to be trained?

Stay Connected for Coaching and Development

- Who are you currently coaching?
- What is your process for coaching?
