

11.18.18 - Strategic Church Planting

This week do discovery Bible studies

(www.revolvechurchnj.com/discover) on the following passages about Paul's missionary journeys:

- Acts 13
- Acts 14
- Acts 19
- Acts 20
- Feel free to read Acts 13 to 20 if desired and time allows.

Take some time to journal on the following questions:

- What patterns did you see in Paul's missionary efforts?
- How long did he stay in the various cities? What would cause him to leave or to stay?
- How did Paul find people interested in Jesus?
- What would it look like for you to behave more like the Apostle Paul?
- In what area is God challenging you?
