## "Night to Shine" is:

- A worldwide movement.
- Changing Valentine's Day weekend from simply a celebration of love, to a celebration of God's love, for people with special needs.
- An unforgettable prom night experience.
- A celebration of the value of life.
- A night when all guests are kings and queens of the prom.
- Held simultaneously on one night around the world.
- Changing the narrative on how people with special needs are viewed.
