Thoughts and suggestions as you go through this reading plan

1. Try to find a regular routine of when you will read your Bible every day. For many people this is best first thing in the morning, but pick a time that works for you! Build it into your daily routine.
2. It's very common for people to begin plans like these, only to fall behind and eventually quit. If you miss a day, or even a few days, don't let that stop you entirely! Try to find an hour or two some day to catch up. If that's not possible, then just jump ahead and join wherever the rest of the group is in their reading.
3. Consider tracking your reading using the *YouVersion Bible App*. Use the search feature to look up "The New Testament in 90 Days." This app provides book introductions and allows you to complete and discuss what you are reading with friends.
4. As you are reading, if you have questions or other thoughts, write them down. Talk to others in your community group about them.
5. Before you begin your reading each day, take a few moments to quiet yourself and pray that the Lord would sanctify you in his word.
6. And, perhaps most importantly, remember what the Word says in James 1:22, "Do not merely listen to the word, and so deceive yourselves. Do what it says." Reflect on what you read. Think about how it applies to yourself, and then live it out!
