

TEAM STAN

Fundraising Benefit for

Stan and Marijean Johnson

Marijean, Stan, Jeanne and Adam are so thankful for your prayers during the past several weeks. Stan went through many procedures and tests for his heart condition. So many of you are asking for ways you can put your love and concern into action. We ask that you consider being a part of **TEAM STAN**, a fundraiser for the Johnson family. All the money raised will go directly to the Johnson family to pay their bills.

The event will include items to be raffled: Theme baskets, gift cards, new items, new toys, handcrafted items, etc. No item is too small, if you do not want to make a basket. For example, one person can donate a pound of Starbucks coffee and another person can donate some unique coffee mugs or non perishable breakfast food. Donna will put it together and make a 'Breakfast Theme' basket. We want to recognize you for your donation so please include your name and list of items you donated. We will have business card and brochure holders to promote your business, ministry or your favorite charity. There will also be food, live music and some fun activities for the children!
