

Sermon Study Guide

1. Remembering is an important part of who we are as Disciples of Jesus Christ. Who were the people in your life that taught you about God's love and grace? Who told you about Jesus? What do you remember about this experience?

2. The letter of Revelation gives us a glimpse of heaven.

⁹After this I looked, and there was a great crowd that no one could number.

They were from every nation, tribe, people, and language. They were standing before the throne and before the Lamb. They wore white robes and held palm branches in their hands.

¹⁰They cried out with a loud voice:

***"Victory belongs to our God
who sits on the throne,
and to the Lamb."***

How have you imagined heaven? In your life, who are in the great crowd of Saints?

3. We are forgetful people. How do you fight against "Spiritual Amnesia?"

4. Barbara Brown Taylor writes, "It is John's idea of heaven to move in with the God who has moved in with us. When God and Jesus move in with us apparently, they make lots of keys- keys for the Holy Spirit- keys for other disciples -keys for all kinds of indwelling cousins in Christ coming and going. We learn to recognize each other and to call upon each other for everything that people who live together do."

How have you encouraged others to remember who they are and whose they are?
