

WHO WE ARE

Our mission is to share the love of Christ by serving those in need through health care.

Our vision is to be a leader in providing compassionate, comprehensive, and affordable health care, with excellence, to the underserved in our community.

“My time at SHC has taught me so much on why healthcare is important and how it is helping those who struggle to find care. [...] I hope to utilize my skills and lessons from SHC in my future as a physician and citizen.”

“I learned SO much whenever I was there helping with the clinic. ... You are doing WONDERFUL things for the people of Durham!”

“The amount of good ... SHC does is phenomenal. I really like how everyone pitches in for our common cause of doing God’s work.”

GET INVOLVED

Volunteers serve regularly as health care professionals, administrative support staff, front office assistants, and interpreters, as well as in many other capacities. There is no religious requirement to participate as a volunteer.

Applications and answers to frequently asked questions are available at samaritanhealthcenter.org/volunteers

DONATIONS

Thank you for partnering with us!

You can donate securely online or view our wish list of donation items at samaritanhealthcenter.org/donations.

You can also mail your donation to:
Samaritan Health Center
PO Box 51339
Durham, NC 27717

WHAT WE DO

Through donated talent and resources, we work to help eliminate our community's health disparities. We provide accessible, holistic health care that focuses on the physical needs, as well as the social, emotional, and spiritual issues that affect health.

Some of the services we offer to our patients:

- Chronic condition care (diabetes, blood pressure, smoking cessation, etc.)
- Acute condition care (asthma, minor injuries, headaches, etc.)
- Volunteer specialist clinics
 - Lab work
- Prescription assistance programs
 - HIV testing
 - Specialty referrals
- Interpreting (in person or over the telephone)

Currently, there is no required payment for services, but we suggest a donation of \$20 for a visit.
