MESSAGE FROM OUR PASTOR

Hello Church Family and Friends!

I sure hope and pray that as you receive this newsletter that you/your family are doing well and everyone is safe and sound.

As I write this, I'm thinking back over the last several weeks. Before that time many of us had never heard of CORONAVIRUS or COVID-19 and yet it has come into our lives; homes; businesses; churches...and no doubt everyone has been affected in one way or another.

I think about all the adjustments that have had to be made because we've been asked to, "Stay at home" and "quarantine" ourselves in an effort to be safe and so I just wanted to know; "How are you doing?"

Seriously, personally, spiritually emotionally... with all that is going on, "How are you doing?"

Here are just a few things that I've heard through all that has taken place:

1. I am mad
2. I'm 'fine'
3. I'm scared
4. I'm confused, things seem to change constantly
5. I'm very frustrated
6. I feel used
7. I've taken so much for granted
8. I really miss my friends, family, church
9. This is all political...

I understand and oh how I wish I had the words to say and knew what to do to help people deal with all these emotions that are so real.

I've read many articles about how so many are struggling with discouragement; depression; having suicidal thoughts...and then you see other articles dealing with domestic violence and other issues in the home and all of this has reminded me that sometimes friends, we've got to have somebody to reach out to; to talk to; to share with...and I simply want you to know that while I know that God is always near if you need somebody, we are here to do all we can to bring hope; comfort; encouragement...that's the beauty of the "Body of Christ."

I can't remember where I read this statement but it is definitely true, "The virus has not stopped the church from being the church." If anything, I personally believe it has made us stronger and I look forward to what comes out of this time.

Now in thinking about "reopening" the church and getting back to inside activities, services...we are in the process of getting prepared as far as hand sanitizer dispenser stands, marking off the pews, making sure things are as clean as possible, etc.

As far as a date, we're praying about June 7th if not before and we believe it will be best to begin back with just our 10:30am service for a time period.

MESSAGE FROM OUR PASTOR

Regardless of what we decide, we understand some of you will remain cautious and stay out for a while longer, and we respect your decision.

Should you have any questions/concerns/suggestions...for us, please feel free to call.

Bottom line; I want you to know how much it has meant to me in just these few months to work with you and minister to you. Your faithfulness to our Lord and His church have been amazing.

May God continue to bless you and guide you.

In Christ,

Roger

Crisis Pregnancy Center

Baby Bottle Blessings Drive

While this year we will not be handing out the bottles we can still be part of this ministry for our county.

One bottle holds about \$28 in change; Two holds \$56...

Be praying about what you feel led to give.

Please turn in all money by Father's Day, June 21st so we can present it to the CPC under Second Baptist.

THANK YOU in advance!

CHILDREN

Second Kids

John 3:30 He must become greater; I must become less.

What a crazy start to 2020. There's so much still unknown with what we can and can't do during the phases rolled out in North Carolina, and CentriKid has canceled Summer Camps this year. I have a hold on some spots for Crowder's Ridge new kids camp, Crowder Springs, if they decide to still have the camp. I'll keep everyone posted as I find out more.

If you would like to sponsor a kid for camp, the cost is \$279, and we could use 2 or 3 scholarships if we are able to attend.

There will still be Terrific Tuesdays this Summer starting June 9th with a "Foam Party" at Second Baptist. We will meet at the church at 11:30am and the foam starts flowing at noon. This event is for all children ages 5-12, and is only \$10 per person.

Another activity that keeps getting delayed is our Easter Egg Hunt. This one will not be canceled! Thanks to everyone's generous donations we have over 5,300 eggs, around 200 baskets and lots of candy and prizes. We are continually reading the news, and as soon as we are able to have a large outdoor gathering of more than 50 people, we will send out information and promote "Easter in JUNE." We are looking at June 27 now. I think this will be a very large event as everyone is itching to get out and have some excitement back in their lives.

Finally, we're having our Summer "VBS THEMED" Nights that will kick-off Sunday, June 7th at 6:00 PM.

Calling all volunteers! If you would like to serve as a teacher, helping with praise and worship, in the kitchen, with games, or just hang out and be a blessing to our kids, please let Michelle Collis (speech1@carolina.rr.com) or Jamie Henderson (j.henderson@vsamerica.com) know as soon as you can.

STUDENTS

second students

John 3:30 *He must become greater; I must become less.*

We just had a great time hanging out with the students this weekend. Thanks to being able to have small outdoor gatherings we were able to have a "Social Distancing" lock-in. We played games outside, ate pizza and made s'mores. It was fun just to have a little normal back in our lives.

Let's get a piece of bad news out of the way. We just got word that they are canceling Crossroads this year. It was a favorite of all our students and I know they are disappointed.

Now with that out of the way, I would like to let all our youth and parents know we are going to try and still have a camp. A "SECOND CAMP" for lack of a better name for now. I will book a cabin, activities, and we will use the Crossroads: Hometown resources that will allow us to still have a great week together growing in Christ and as a youth group with a message, small groups and worship over 5 days.

We will be in need of a little help from our church family. First, we would love everyone's prayer for God's guidance as we plan for this week long event on our own.

Secondly, if you could pray about sponsoring a student. We were in need of 6 scholarships for camp this year. The cost for camp was \$309. If you would like to help with a scholarship I'm going to try and keep the cost for our "SECOND CAMP" at or below \$250. Any help would be greatly appreciated by some of our youth.

For all students and parents of students who were attending camp, I would like to meet Sunday, June 7th after worship service to discuss our plans.

Finally, please be in prayer that God would be with all our graduates as they are going through something none of us have gone through before.

In Christ, **Jamie Henderson**
