November Ministry Update

PREPARING FOR CHRISTMAS

Throughout the month of November, Elaine and I have been on parental leave in order to care for Elora, and continue to adjust to this new season of life as parents. We have felt so incredibly blessed as Elora is healthy, and growing well. We have also been so grateful for the incredible support we have received both from friends in Baden, as well as from our sending church. While we have been taking this time away, we have also been thinking and praying about what the next season of Baden Central Church will bring for us. We are preparing to participate in our local Santa Claus parade alongside our sending church, as well as planning for a number of initiatives for the new year, including community dinners, regular discipleship classes, and community family games nights.

Please continue to be praying for our first Sunday service planned for January 28th, 2024. We are continuing to pursue a potential location for our Sunday services, and hope to have confirmation in the coming weeks. We are praying that God would provide a space for us to help us in our mission of introducing the hope of the Gospel into the heart of our community and the homes of its people.

Prayer Requests

Pray that God would provide a building for our first service on January 28, 2024.

Pray for Elora, and for Elaine and I as we begin a new stage of life for our family.

Pray that God would open doors for us to share the hope of the Gospel, and that our weekly small groups would begin to grow.

Pray that the people of Baden would come to know Christ as their saviour.
