

## **Monthly Report for October 2021!**

Hello SCA!

There has been so much happening and a lot to share! Once again, we can't thank you enough for your prayers and support. God is using you through this partnership in incredible ways!

### **COVID Update**

Praise God because we are still safe here in St. John's and have low numbers of COVID cases. Although our government has adopted a new Vax Pass policy which requires non-essential organizations to turn away anyone who is not double vaccinated. Please continue to pray for our city and our people as we continue to navigate these guidelines.

### **Leading Music**

It is a great honour to be able to be a part of the music leadership team at Calvary Baptist. This month, Leanne and I had the chance to lead once again.

You can watch the service [here!](#)

### **Sunday School**

We've made a lot of progress in our Sunday School class on Corporate Worship!

The middle chapters that we covered this month were fantastic. One of my favourite chapters is all about the order of our church services and the importance of intentionally planning out the order of the service

(liturgy). In this class we learned that liturgy shapes our hearts and that it always communicates something!

**Calvary Moving Co.**

A few people in our church moved this past month and it was really great to see the church come alongside them and help them move. I love that so many people in our church are willing to serve one another by giving of their time to help with moves. It is just a small example of how we can love one another and enjoy fellowship together. Some of us have done a number of moves and have jokingly given the nickname of the Calvary Moving Co.!

**Kilbride Community Church  
Galatians Bible Study**

We have continued in our Galatians bible study and it has gone really well. Please continue to pray for our little church as we continue to study God’s word together!

**Potluck**

This month we had a potluck with the KCC family and the food was incredible! God has certainly blessed our church with some good cooks! Overall this was a great time of fellowship and a wonderful time to get to one another a little bit more.

**Trunk or Treat**

For our third year running, this Halloween we had another trunk or treat! And once again, the trick or treaters and parents loved it and we loved doing it. It’s a blessing for us to be able to be present in the community and to show love to our neighbours. We had plenty of decorations, treats, and hot chocolate!

## Calvary Young Adult Ministry

We've continued on with our Young Adult ministry at Calvary.

We've been studying the book of Judges by going through the Right Now Media video series by J. D. Greear.

And one of my favourite lessons so far is from the story of Ehud. As we see in this story and as Greear says, being used by God is about availability not ability. God is strong enough and powerful enough to accomplish what he wants to accomplish. We don't need to be strong, just available.
