"Renewed In His Love"

Dear Supporter:

At a recent meeting, one pastor wrote, "Truly Romans 12 (NIV) and a debt of love is what defines the relationship that Mile One has with SCA. Another wrote, "It was enjoyable to be a part in the meeting" and he expressed gratitude for our support.

We at SCA are truly blessed to be a part in spreading the Gospel with them in Newfoundland and New Hamburg, Ontario. We are grateful for the opportunity to support and be of encouragement to them who are on the front line carrying the message of salvation to many in some difficult places. In these unprecedented times, sometimes our freedom doesn't always look like freedom. However, we are privileged to serve God freely in Canada and for this we are grateful. In this vast country, where many still need to hear about Jesus, it is our desire to extend our support to more Interns who the Lord will call to go and reach with the message. I am pleased to tell you, the Board has added two new interns to our sponsorship program for 2022.

To you our donors and prayer partners we say THANK YOU for your ongoing support to this mission. We could not have done this without you. You are allowing us by your giving and support to put feet to the ground with the Gospel and many are coming to know Jesus, new churches are opening in places where the Gospel have not been present for years and lives are changed for eternity. This is great news!! Friends it is not only your \$20. or \$200. It is you making it possible for someone to come to the knowledge of Jesus. Proverbs 11:30 said, "The fruit of the righteous is a tree of life, And he who wins souls is wise." When God calls you wise, it is not by the wisdom of this world, but by His standard you have pleased God with your partnership in His plan for eternity.

So again, thank you for giving to SCA. May God continue to bless you and strengthen you and your family each day afresh and may you allow Him to direct you so that you can accomplish the things He wants you to do before His return. We continue to pray for those who do not know Him as yet and to go or send others where we

cannot go, in this great mission field of Canada.
Thank you for partnering with us!

When you have your next relax moment, I encourage you to read Romans 12 in its entirety. I could not help but read it again myself and reflect on all that God has done for us 2000+ years ago on the cross, to express His love for all mankind. His love is truly amazing!

After reading this portion of scripture, I trust you too will take a moment to pause and reflect on Jesus's unconditional love for us. He came Himself to be the example of what He expects from us and He promises to walk with us always. So take courage in knowing He is always with you. I assure you, you will experience an amazing transformation of thoughts and action as a result of your cooperation and willingness to surrender and obey His Word. The risk you are willing to take with His help, will not only honour Him but will transform lives for eternity. This is what pleases God, that we work with His plan for mankind to be with Him for eternity. There is no greater achievement in life than doing your part in spreading the eternal plan of God and seeing others come to faith in Him.

There are times when you will say "I cannot do it!" but in surrendering to Him you will instead say this "without Him I couldn't do it." And through this His name will be glorified and others will see and be blessed.

Upon reading the one Intern's report, one of SCA's board members wrote, ".... I am so grateful for these that response to the call of God to push on in spite of the resistance God bless them richly for their love of the Gospel and desire to reach the lost in their community." We continue to pray for them and others who are in the work of building God's kingdom. This includes you and every believer of the Gospel.

Friends I hope you are encouraged. On behalf of the board and staff of SCA International we are grateful that you are keeping in touch with our ministry and we do appreciate and love you. May God bless you in all you set about to accomplish for Him. Together we can do much and there is still much to do. John 9:4 says, "I must work the works of Him who sent Me while it is day; the night is coming when no one can work." Introduce this ministry to your family and friends and call us anytime to encourage or pray with us. We'd love to hear from you.
