

BEAUTIFUL Always in JESUS.

Fall is many people's favourite time of the year. Just seeing the beautiful changing foliage makes our outdoor experience a pleasant one, although the constant weather can be challenging each day. In early October we look forward to the usual Thanksgiving celebration. We get excited about seeing friends and family we haven't seen for a while and looking forward to share in a typical turkey dinner with pies. Since thanksgiving weekend has just been over, I trust you had a great one indeed. However, may we continued with a heart of thanksgiving each day following, bringing the message of peace and hope in our words and deeds to those who may not be as fortunate to be a part of such celebrations.

1 Chronicles 16:34 "Give thanks to the Lord, for He is good; His love endures forever." Through this we will recognize the Lord's leading and to those we can bless just as the Word says in 2 Corinthians 9:11 "You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God."

No changing season or circumstance personally or globally can change what is written in God's Word nor the plans He's has for us. Trust Him. He's waiting to surprise you!

From one of our Interns, Jonathan Killoran, quote, *"One of the highlights of the month was visiting my friends at King's Church in Owen Sound on September 12. There, I was able to help in the service as a guest worship leader. I was also able to present the ministry of SCA. I told them about how William Henderson gave himself to bring the gospel to some of the least populated areas of Canada, how the gospel still needs to go out to our rural communities, and how SCA International was continuing to spread the gospel in areas like these.*

Their response was warm and accompanied by a commitment to pray for the mission of SCA International." Below you can read his full report.

We at SCA are grateful for the work that the Interns are doing through the Ministry of SCA, to spread the Gospel of our Lord and Saviour Jesus Christ in some remote areas of Canada.

Would you join us by your prayers and financial support to help us expand the mission to reach more places in Canada with the Gospel? With heartfelt gratitude we say, "Thank You!" for all your support in the past, presently and for your prayerful consideration in advance for the future. May God bless you more than you can imagine for partnering with us to expend His kingdom.
