## **For Small Group discussion & application this week:**

Based on your time in God's word this week, what did He teach you or reveal to you about Himself and His work in your life?

What does the Bible say about salvation and having a relationship with God?

How do you differentiate religion from relationship with Jesus?

What brings you enjoyment, confidence and security in your relationship with Jesus? Do you find yourself enjoying God? How or when is that difficult for you?

What is your one big takeaway or personal application from this passage?

### **Looking ahead:** Sunday, July 25 in our *Timeless Truth* series.

Spend time this week exploring John 8:31-59.

As you do, pray for the Holy Spirit's help for insight as well as selecting and carrying out your application.

Write out your personal observations, application or questions.

These questions can help you with meaningful application:

- Is there a new thought about God, Jesus or the Holy Spirit?
- Look for words that are emphasized or repeated.
- Is there a specific action or truth commanded?
- What is the truth I need to apply?
- What is my need?
- What is my plan of action?
- How will I assess my progress?
- How committed am I to the mission that God has entrusted to me?
