**Becoming a Titus 2 Woman: Personal Study Questions** By Martha Peace

1. (Doctrine) What doctrinal principle did you learn and/or put into practice this week?
  
2. (Character) How do these truths help you become more God-centered and less man-centered, confront your sin and idolatries, or reveal a temporal mindset instead of eternal mindset?
  
3. (Heart) What affect does it have if you do or do not believe these truths? If you obey or disobey them? What is the danger to your soul if you do not believe them?
  
4. (Ministry) Write out some specific questions from the truths of this chapter that you could ask a younger (in age or spiritual walk) Titus 2 woman who is (or one day will be) in your life.
  
5. (Memorization) Choose one verse from this chapter to meditate on, or memorize, this week. Write it out here.
  
6. (Prayer) Write out a prayer below for your own heart concerning this week's truths, and for at least one other particular woman (a younger Titus 2 woman, a daughter, your mother, your older Titus 2 woman, etc.)
