The Present

Here is the [video link](#) to our story this week.

Craft – God Provides the Sacrifice

This week we will be making lamb crafts. This will remind us that God is the provider. He will give us whatever we need, just like he provided the sacrifice for Abraham.

For today's craft you will need a piece of paper, glue, cotton balls and crayons.

1. Parents, you will need to do some drawing for this craft today. Let's start with a cloud.

2. Let's give our cloud some feet and an oval face.

3. Add a nose, mouth, eye, and a horn. Depending on the age of your little one they can add some of these features!

4. Now let the little one glue the cotton balls all over the ram's body.
