

## The Warrior Leader

Here is [the video link](#) to our story this week.

### Craft – Trumpets

This week we will be making fun trumpets. We can make loud noises like the people of Israel did marching around the walls of Jericho. We know that God was the one that brought down the walls of Jericho, no matter how much noise the people of Israel made it wouldn't bring down the walls, but we can thank God for allowing us to be a part of His plan!

For today's craft you will need scissors, two pieces of colored paper, glue, a toilet paper roll, and some crayons.

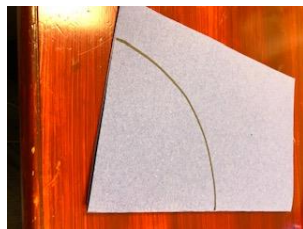

1. Let your little one color all over one of the pieces of paper.

2. Turn the paper over and place a layer of glue down at the bottom as long as the toilet paper roll. Roll up your paper around the roll. Put a line of glue along where the paper meets to create a tube.

3. Fold the second piece of paper in half and do your best to create half a semi-circle. Cut that out.

4. Form the semi-circle into a cone and glue that into the end of the tube that does not have the toilet paper roll.
