The Teeny Weenie True King

Here is [the video link](#) to our story this week.

### Craft – Hearts

This week we will be making pretty hearts. God looked at David and saw not the outside appearance but looked inside at David's heart. We can look at our pretty hearts that we make today and be reminded to be like God, to be kind and loving to others, and most importantly we can use our hearts to love God.

For today's craft you will need scissors, three pieces of different colored paper, glue, and some crayons.

1. Fold three pieces of paper and draw half hearts on each paper each one a little smaller than the last.

2. Help your little one to cut out the hearts and paste them onto each other.

3. Use crayons or markers to draw on your heart.
