Craft – A Bag for Stones

This week we will be bags for stones. David trusted that God would give him the power to defeat Goliath. He didn't need armor or even a sword to do battle. Our stones and bags can remind us that God will provide anything we need to do the work he has planned for us.

For today's craft you will need scissors, a brown paper lunch bag, crayons, and either some small stones or scraps of paper.

1. Cut the top half off of the lunch bag.
2. Decorate the lunch bag with pictures, maybe your name if you can write it. Stickers might be fun here if you have them.

3. You can fill your bag with either crumpled paper "stones" or you can get outside and find five stones for your bag.
