The Good Shepherd

Here is [the video link](#) to our story this week.

Craft – A harp for songs to the Lord

This week we will be making harps to remind us of the songs that David sang to the Lord. We can pretend to play our harps and sing our own songs to our great God!

For today's craft you will need scissors, a paper plate, a piece of paper, glue and something to color with.

1. Cut your paper plate like shown in the picture.

2. Decorate your paper plate.

3. Cut your paper into thin strips.

4. Glue the paper strips to the back of your paper plate.
