Daniel and the Scary Sleepover

Here is the video [link to our story](#) this week.

### Craft – Lion Puppets

This week we will be making lion puppets. We can be reminded that no matter how scary anything is, God is in charge. We can trust in him for all things.

For today's craft you will need scissors, a brown paper lunch bag, yellow and orange paper, glue and something to color with.

1. Help your little one to color a Lions face onto the paper bag.

2. Next cut some long strips out of your colored paper and then cut those into smaller strips.

3. Help your little one to glue the mane onto the lion.

4. Have a fun puppet show with your creation!
