

Nursery Lesson | God's Messengers  
September 20, 2020

Here is the video [link to our story](#) this week.

**Craft – Big Fish**

This week we will be making the big fish from our story on Jonah. Jonah, didn't want to listen to God, he didn't want to go where God told him to go, so he disobeyed God. God is so good, he sent a fish to swallow up Jonah, and kept Jonah safe and gave Jonah a chance to realize that he needs to obey and follow God. God sometimes puts us in difficult places, so that we can realize how much we need God, and need to follow God. He does this because he loves us!!

For today's craft you will need scissors, a paper plate, tape and paint, or something to color with.

1. Draw a wedge, and an eye on your plate like in the picture.

2. Help your little one to cut out the wedge and tape it onto the other side of the plate.

3. Paint your fish whatever color you like.
