Membership

The four-week class is an introduction to the theology and ministries of SSBC and an explanation of membership at SSBC. It is not only for those pursuing membership, but is open to all those who wish to learn more about the church.

Two four-week sessions:
9/12-10/3 OR 10/31-11/21

This class is a pre-requisite for becoming a member.

Led by Pastor Cody Busby

Gentle & Lowly

This class will go through the book Gentle & Lowly: The Heart of Christ for Sinners and Sufferers by Dane Ortlund. This book is about the heart of Christ and written for those who are running on fumes, weary, or just running in general to see the beauty of Christ's heart for today. Jesus is gentle and lowly, and this beautiful reality will shape your heart as only Christ can.

Books will be provided

Led by Pastor Steve Grissom

Real Life Support

We will focus on how to support life and bring the Gospel context to cultural issues pertaining to life. We will use short videos based on topics, using a variety of different sources. These will be followed by discussions and teaching to address issues of life. Come be equipped and encouraged to be courageous and compassionate life affirmers. *(Some topics include: listening effectively, adoption, fostering, end of life issues, special needs, abortion—difficult cases)*

Led by various Life Support ministry members

Adult Ed Classes

Youth Class #1

Ten Questions

This is a book by Rebecca McLaughlin that students will read together in class. Students ask hard questions, and their friends do too. Instead of avoiding difficult issues, this book will help us lean into them and explore the foundation of our faith... together.

[Parents, please note there are chapters in the book about sexuality and gender. These chapters align with SSBC's beliefs on those matters and they do a wonderful job expressing a biblical view on sexuality and gender with compassion and gentleness. You will be notified in the week prior to those sessions as a head's up.]

Women's Class

Taking Back Titus 2

A fresh take on women of all ages walking alongside one another to pursue Biblical maturity

Titus 2:3-5 teaches the older women of the church to walk alongside the younger women, and most of us are both! Our goal is to reclaim this Biblical mandate, give it a fresh face, and inspire and equip the women of SSBC to pursue intergenerational connections, so that we may truly bless one another and grow together. Women, please come and learn how you can be a part of this exciting movement!

We will read the book Organic Mentoring: A Mentor's Guide to Relationships with Next Generation Women, by Sue Edwards & Barbara Neumann

Led by Sue Reed & Rindy Bennett

Youth Class #2

How To Read Your Bible

This class will teach you Bible Study skills because we've all been there... you read your Bible, and then wonder, "Ok... now what?!" Dave will help students learn good questions to ask of every Bible passage and will walk you through the different types of genres in Scripture (story, poetry, prophecy, theological teaching, historical accounts, etc.). You'll learn skills that will set you up for years to come!

Led by Dave Kleberg

Cambodian Class

Our Cambodian brothers and sisters in our church family gather together weekly to study Scripture, pray together, and spur one another on in the faith.
